SF-DB001-WIP

WiFi IP Doorbell

2Mpx WDR camera

Bidirectional audio

Mobile App for remote monitoring

Motion detection with events

Surface mounting

Safire

IP doorbell with 2Mpx WDR camera

Wide angle lens

Speaker and integrated microphone with noise cancellation

IR night vision

802.11b/g IEEE Wifi connection

Remote monitoring through Mobile App

Motion Detection

Call button

Compact design for frames

Specifications

Brand	Safire
Operating system	LINUX OS
Image sensor	2 Megapixel CMOS WDR
Lens	1.96 mm
Infrared lighting	High sensitivity with low illumination
Viewing angle	H: 180º | D: 96º
Audio	Two-way audio with microphone and speaker with noise cancellation
Keyboard	x Mechanical call button
Relay	No
Intelligent detection	Motion detection with event or alarm activation
Remote access	CCTV Guard / Safire Connect
Memory	Slot MicroSD up to 128GB
Network interface	WiFiIEEE802.11b/g
Power supply	DC 12 V / 600 mA max.
Degree of protection	IP54
Material	Plastic
Temp. operation	-30º C ~ +50º C
Dimensions	122.4 (H) x 45.9 (W) x 28.1 (D) mm
Weight	420 g

Brand	
Operating system	LINUX OS
	2 Megapixel CMOS WDR
